RE: Amendment to Graduate Certificate in Philanthropic Studies

---

The Lilly Family School of Philanthropy proposes the attached amendment to our Graduate Certificate program plan. Our school has more elective opportunities today than when the certificate program was approved four years ago. The amended program plan more accurately reflects the choices available to our students and will substantially reduce the number of course substitution forms.

Please contact me with any questions you have.

Indiana University Lilly Family School of Philanthropy  
 Program Plan for Graduate Certificate in Philanthropic Studies
